PLEASE ACCEPT MY DONATION OF:

QCGC Research's mission is to develop the best standard of care for women experiencing gynaecological cancer.

This includes finding causes for and preventing gynaecological cancer or finding better treatment options to improve the quality of life of women affected by gynaecological cancer.

We depend upon financial support from the community. Every single gift, whatever the size, makes an important contribution to our breakthrough research.

PROFESSOR ANDREAS OBERMAIR
DIRECTOR OF RESEARCH

*Thank you sincerely
for your thoughts & generosity at this time.*

*It is a wonderful way to honour the
memory of a special person and an everlasting
gift that could benefit all women.*

*Your special gift to QCGC Research today in
memory of Sylvia will enable us to continue
our work for generations of women to come. It
will give new hope to those women affected
and their families.*

IN MEMORIAM

In loving memory
